

Matt Jaurez

VP, Contact Center Operations

Matt Jaurez is a business operations professional with more than 20 years of experience as an executive in various operational and business leadership roles. He has spent 27 years with Revinate (formerly NAVIS) in leadership, operations, people development, management, product management, software support, and client services. Matt currently oversees almost half of the employees at Revinate as the VP, Contact Center Operations. In 2011, Matt was recognized by his peers and was presented the "Accomplished under 40" award through Cascade Business News along with other successful business professionals in Central Oregon.

Matt and his wife, Rachael, love serving their community through the local church they attend, and they have 3 adopted children in addition to their 3 biological children. Matt is also an experienced archery hunter, fly fisherman, snowboarder, and black belt in Brazilian jiu-jitsu.
