

# Nikolay Tchaouchev

## Chief Design Officer

Nikolay brings more than 20 years of experience in user experience, design, and brand and product. Before Revinate, he led Trulia's design vision from its early stages all the way through an IPO. He also headed product and design at WeVideo to increase their user base from 15,000 to more than 30,000M and bring the company to profitability. Additionally, Nikolay spent time as a Principal Designer for Service Cloud bySalesforce.

He has a passion for delivering intuitive, user-centric experiences and solving problems with design by employing empathy. In his spare time, Nikolay is passionate about photography, design trends, brands like Disney and Tesla, science fiction, green energy, Formula 1, and tennis.
