

Kelly Buchanan

Chief People Officer

With nearly 25 years of experience as a Global People and HR Executive, Kelly is well versed in developing and engaging talent in creative work environments. She lived and worked in Singapore for 3.5 years with Lucasfilm.

Additionally, she makes frequent visits to the EMEA region — contributing to her diverse experience in people operations. She is a leader in designing roles to blend with company culture while boosting employee engagement and retention. Kelly inspires positive change wherever she thrives and has done so from small-scale start-ups to 2000+ public companies.
